

GLOBAL BUSINESS & TALENT
ATTRACTION TASKFORCE

AUSTRALIA

Global Business and Talent Attraction Taskforce

An Australian Government initiative to attract high-value, marquee businesses and exceptionally talented individuals to Australia, along with their ideas, networks and capital.

The Taskforce

1. Targets the marquee end of the global marketplace, comprising:
High-value, apex enterprises – firms that can significantly boost Australia's GDP by launching businesses and creating local jobs and,
Exceptionally talented individuals from the arenas of business, culture or science.
2. Focuses on **future-facing industries** that can inject the greatest value into the Australian economy and the broader community.
The litmus test is an ability to generate quality jobs, strengthen Australia's supply chain resilience and turbocharge our capacity in priority growth sectors.
3. Pursues a **Team Australia** approach that unifies and strengthens Australia's international voice and brand.
4. Fosters long-term investment relationships and job creation partnerships with Australian firms across the nation.

How does the Taskforce help accelerate Australia's recovery in a COVID19-disrupted world?

The Taskforce is part of the Australian Government's **JobMaker Plan** to turbocharge the economy and boost prosperity across the nation.

Our mission is to:

- grow the number and quality of jobs in Australia
- build national resilience by filling critical gaps in Australia's supply chains
- boost productivity
- diversify Australia's export markets
- expand the channels of capital available for investment in strategic growth sectors
- build Australia's skills base.

What we offer

- Streamlined visa processing and pathways to residency
- Access to world-class research and incentives
- Outstanding launch pads, business locations and support networks
