The business bottom line

Rich streams of capital and credit combined with competitive tax rates make Australia the ideal base for your business. Just set up and succeed.

We welcome the world

We celebrate our diversity. Australia is home to the world's oldest living culture, as well as every faith, race and heritage. Almost a third of Australians were born overseas.

In the zone

Australian companies have preferential access to the dynamic markets of the Indo-Pacific region and do business in the same time zones.

Imagine, innovate and collaborate

Australia champions trailblazers and supports start-ups with innovation precincts, incubators, generous incentives and partnership programs.

Lifestyle is our superpower

Free and fun with liveable cities and the time and means to enjoy them. If you're looking for a healthy economy that's safe and stable, it's time to plan your next move.

Sophisticated and future focussed

Australia's highly educated workforce embrace digital disruption and high tech solutions. Being an immigration nation is Australia's "brain gain" that complements our home grown pool of talent.
