

Australia: rich in critical minerals

Australia is a resources powerhouse.

We are one of the most technically advanced, innovative and efficient resource producers in the world, with:

- a skilled workforce
- stable investment climate
- supportive regulation
- high environmental standards, and
- expertise in resource extraction, processing and high-tech engineering.

The market for critical minerals is projected to expand rapidly, driven by growing demand for magnets, batteries and electric motors.

Established network of mining services, equipment and supply chains

Access to pre-competitive geoscience information

Global leader in setting critical minerals standards

AUSTRALIA

- Antimony
- Bismuth, +/- cobalt, +/- indium
- Chromium, +/- cobalt, +/- PGE
- Cobalt
- Platinum-group elements (PGE), +/- cobalt
- Scandium, +/- cobalt, +/- PGE
- Graphite
- Helium
- Indium
- Lithium, +/- tantalum, +/- niobium
- Magnesium
- Manganese ore
- Heavy mineral sands (HMS)
- HMS – titanium, zirconium, REE
- Rare-earth elements (REE)
- REE – Zirconium, niobium, +/- hafnium, lithium, tantalum, gallium
- Rhenium
- Tungsten
- Titanium
- Titanium, vanadium
- Vanadium

Partnerships & programs

There are many opportunities to partner, co-invest and find funding through:

- The A\$1.5 billion Modern Manufacturing Strategy with co-funding available for eligible projects that align with the Resources Technology and Critical Minerals Processing National Manufacturing Priority road map
- CSIRO commercialisation marketplace and Lindfield collaboration hub
- Export Finance Australia
- Clean Energy Finance Corporation, and
- The Northern Australian Infrastructure Facility.

We can also connect you to specific opportunities available under state and territory critical minerals strategies.

 **Download** the Critical Minerals Prospectus on our website.

The Taskforce is offering:

- Fast track visas
- Facilitated relocation of company executive, key staff and their families
- The certainty of permanent residency
- Tailored advice to help kick start your Australian success
- Connections to industry and professional networks
