Expand your horizons: Grow your life and career in Australia

Australia is on the hunt for leading global talent and entrepreneurs to help accelerate our future-facing industries, promote innovation and grow our economy.

We're looking for trailblazers, including business leaders, professionals and academics with the drive to succeed and make a difference.

If you're a highly skilled and talented individual working in one of Australia's [priority sectors](#) and you can attract a salary that meets the [high-income threshold](#), you can submit an Expression of Interest for a Global Talent visa.

AUSTRALIA**

Why Australia?

Vision backed by investment

Reap the rewards of our powerful blueprints for national prosperity. We have comprehensive policies and plans for our exciting industries, backed by targeted investment.

Generous grants and incentives

Australia offers nearly A\$70 billion in grants, incentives and funding pools to Australia-based companies across priority sectors.

We celebrate diversity

Australia is home to the world's oldest living culture, as well as every faith, race and heritage. Almost a third of Australians were born overseas.

Imagine, innovate and collaborate

Australia champions trailblazers and supports startups with innovation precincts, incubators, generous incentives and partnership programs.

Leading industries

Australia has an international reputation for excellence in a range of future-facing industries, including life sciences¹, fintech² and cyber security³, making us a compelling destination for global talent.

Lifestyle is our superpower

Free and fun with liveable cities and the time and means to enjoy them. If you're looking for a healthy economy that's safe and stable, it's time to plan your next move.

³ Top 10 Most Powerful Countries in Cyberspace (secureworld.io)

Australia's a land of trailblazers, with a rich culture of innovation and creativity. You'll find yourself right at home here.

From Google maps to bionic ears, Wi-Fi to pacemakers, polymer bank notes to spray-on skin, many of the technologies relied on by millions of people around the world are Australian discoveries.

What are we offering?

- The Global Talent visa with permanent residence for you and eligible family members
- Connections to essential industry and professional networks
- A world-famous lifestyle
- Safety and stability in a thriving economy
