Australia is on the hunt for transformative and high-value businesses in future-facing industries to drive innovation, create jobs and turbocharge our economy.

Bring your business to Australia with support from the Global Australia Taskforce.

Are you a senior decision maker or influencer in a high-yield business working in a future-facing industry?

Is your business ready to expand to a new destination full of opportunities, or grow its existing footprint?

**If so, find out if you're eligible to apply for tailored relocation support**

**GLOBAL  
AUSTRALIA**

## Why Australia?

### **Vision backed by investment**

Reap the rewards of our powerful blueprints for national prosperity. We have comprehensive policies and plans for our exciting industries, backed by targeted investment.

### **The business bottom line**

Rich streams of capital and credit combined with competitive tax rates make Australia the ideal base for your business. Set up here – and succeed.

### **Generous grants and incentives**

Australia offers nearly A\$70 billion in grants, incentives and funding pools to Australia-based companies across priority sectors.

### **Imagine, innovate and collaborate**

Australia champions business trailblazers with innovation precincts, incubators and partnership programs.

### **Access to talent**

We have a large, world-class talent pool for you to draw on. And a range of visa options for any international talent you need.

### **In the zone**

Australian companies have direct access to the dynamic markets of the Asia-Pacific region and do business in the same time zone.

### **We celebrate our diversity**

Australia is home to the world's oldest living culture, as well as every faith, race and heritage. Almost a third of Australians were born overseas.

### **Lifestyle is our superpower**

Free and fun with liveable cities and the time and means to enjoy them. If you're looking for a healthy economy that's safe and stable, it's time to plan your next move.
